### **PERFUSION PRACTICES 2006**

**September 22 - 24**

**Millenium Hotel**

**Minneapolis, MN**

#### **Sunday September 24<sup>th</sup> Classroom Sessions**

0700 – 0800

Continental Breakfast

0700 – 0900

ECMO Principles and Practices  
ELSO Registry Data on Cardiac Patients

0900 – 1000

Oxygen Pressure Field Theory

1000 – 1040

Perfusion Management for  
Complex Case Types

1040 – 1120

Snack and Beverage Service

1040 – 1120

POC Hematocrit Testing  
Conductivity vs Coximetry

1120 – 1150

Microemboli Shunt Investigation  
Involving Three Membrane Oxygenators

1150 – 1250

“The Great Debate”  
Hyperoxia vs Normoxia on CPB

1250 – 1300

Closing Remarks

Attendance Certificates will be mailed to all duly registered perfusionists.  
Please be sure to register using photo ID for all sessions you attend.
